### Total number of performers – 2

Nico Rhodes  
Patrick Courtin

### Total number of crew traveling with group – 1

Mya Wilson

### Instrumentation

- 1 x Acoustic piano and bench (**provided by venue**)
- 2 x Keyboards and benches (provided by Artists)
- 2 x Melodica (provided by Artists)
- 2 x Keytars (provided by Artists)
- 2 x Vocal Mics (provided by Artists)
- Backing tracks (provided by Artists)
- Sound Q's (provided by Artists)

### Piano Provided by Venue/Presenter

- Acoustic Grand Piano (tuned to A-440) and piano bench.
- Tuning of the acoustic grand is imperative as there are some pre-recorded tracks backing certain songs, it is therefore recommended that tuning occurs no less than 48 hours prior to performance, and that once tuned, it is recommended it be kept in a controlled temperature atmosphere for tuning stability.
- If a tuned grand piano is not available, the Presenter/Venue will provide a 3<sup>rd</sup> digital electric piano of same quality/brand (listed below), with adjustable stand, its own music stand and bench. Quality of keyboard is paramount. Please confirm availability of the keyboard at the earliest opportunity. Brand choices are **Roland RD2000 or Yamaha CP88 or Korg SV2**

### Positions

- Piano (Down stage center, sightlines to accommodate the farthest reach of the audience on the right and left.)
- Keyboard 1 (SL)
- Keyboard 2 (SR)
- Melodicas (DSL/DSR)
- Keytars (DSC)
- Offstage – Stage Management table for Qlab computer. Stage Management must have quick and clear access to stage to deliver props. If there are no sight lines to performers from side stage a monitor is required.

## Microphones

- Artists will provide 2 wireless lavs.
- Venue will need to provide any mics they require for their provided piano.

## Mixer (provided by venue)

- Stereo out at SL Keyboard station – Keyboard, Melodica, and Keytar are run through a Mainstage rig and audio interface that the Artists will provide.
- Stereo out at SR Keyboard station – Keyboard, Melodica, and Keytar are run through a Mainstage rig and audio interface that the Artists will provide.
- 2 wireless vocal mics – provided by artists.
- 1 Stereo out at Stage Management table for tracks.
- 1 stereo out at Stage Management table for sound Q's.
- 1 mono out at Stage Management table for click track.

## Monitors

- 3 floor wedges (provided by venue)
  - 1 at SL Keyboard
  - 1 at SR keyboard
  - 1 at DCS piano
- 2 in ear monitors – Artist provides for click track from SM computer.
- Monitor is required at Stage Management station if there is not a clear sight line to stage.

## Outboard & Backline Equipment Required (provided by venue)

- AC: Power bars needed at each keyboard and for stage management station.
- 2 small tables are needed at each keyboard station for laptops (approx. 30" H x 24" W).
- 2 stereo out DI boxes – one for each keyboard station
- 2 stereo out DI boxes at Stage Management stations – Sound Q's and Tracks
- 1 Mono Out DI Box at Stage Management for Click
- 3 black music stands – one is used as a prop. If acoustic piano is not provided and a keyboard is provided in its place then a 4<sup>th</sup> music stand is needed.

## Lighting (provided by venue)

- A general warm wash across downstage areas.
- Focal areas are: Centre, SL, SR,
- Other simple lighting ques will be given with show advance.
- Back drop can be solid black or coloured cyc (preferable blues, reds, ambers, purples)

## Venue Technician

- Venue will provide and pay for qualified sound and light technicians to aid in the set-up, strike and running of the show.
- The technicians must have complete knowledge of the venue's electrical, lighting, sound equipment and will be available to focus the lights and run the lighting board during the show.

## Tech Time

- The performers require 2 hours for basic set up, orientation and sound check.
- A minimum 1-hour break between tech time and performance time required.

## Hospitality

- A small hospitality tray of veggies, wraps, fruits, snacks and coffee, tea would be greatly appreciated in the green room or dressing room, available upon arrival. There are no allergies, however the Artists are lactose intolerant (*no dairy, no cheese please*).
- Water for Stage
- When possible, please avoid the use of single use plastic bottles.

If you have any questions regarding piano type, our audio interfaces and set-up please do not hesitate to reach out.
